Call for Papers

JOIN US IN 2027

Be part of our GPAE Conferences promoting a new energy future and the transition of our industry towards that future. Share the knowledge and become part of the movement that will Go Beyond in Our Energy Transition. To inspire the gas processing community, we are looking for abstracts about Digitisation, Sulphur, Acid Gas Removal, Energy Efficiency, Energy Security, Energy Transition Technologies, Decarbonisation of LNG, Projects, Operational Troubleshooting, Hydrogen, Biogas, Ammonia, Carbon Capture and Storage.

THE EVENTS

Fundamentals of Gas Processing Webinar | 22 April 2027 | Mercury Removal

Annual Conference | 02 – 04 June 2027

Fundamentals of Gas Processing Webinar | 23 September 2027 | Gas Treating

Technical Meeting & AGM | November 2027

SUBMIT YOUR PROPOSAL

We would love to hear from you… come and share your story with us!

All we need is a 100-200-word abstract. Tell us what your idea is and send your abstract - Title, Author to admin@gpaeurope.com

It will be reviewed by our Technical Committee and, if accepted, we can help you to develop it into a technical paper and presentation.

All speakers are within the chance of winning our Best Paper Award. **Read more >>**

The Aungier Award is for the best paper presented by one of our Young Professionals at our conferences. The winner is decided by our Technical Committee. Alongside the award, the winner will get **£1,500!**

Guidance on submissions is given in our information document **Guidelines for Abstracts >>**
